MEMORANDUM FOR: Chief, New Building Communications Program Division, OIT

FROM:

Chief, New Building Project Office, OL

SUBJECT: Temporary GSA Phone Service

1. For some time we have been contemplating moving GSA from their existing construction trailer into more suitable office space. This will also allow the site work to progress in the south parking lot area.

2. We would now like to confirm our intention to move GSA into 1H006 NHB. This will require sixteen phone lines as shown on the attached drawing.

3. These are phone lines that will eventually be used by the permanent Agency tenants. These lines will need to be operational by COB 29 January 1988.
